Action 4

Know how to act on fire danger days.

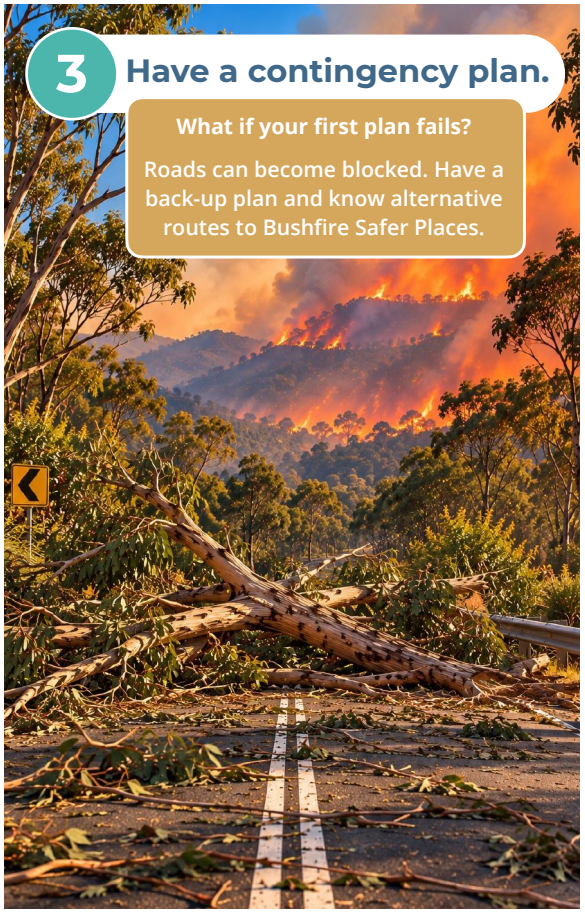
Your safest option is to LEAVE EARLY, particularly on Catastrophic days.

Don’t wait for a fire to start before deciding what you will do.

preparoo

Prepare for bushfires.
One step at a time.

This infographic was designed by Patrick Bolte for Preparoo, a community challenge run by the Bridgewater & Aldgate Community Support Hub.



Create your 5-min Bushfire Survival Plan today.
